## **23rd ACPE Presidential Installation**

Please plan to attend the installation of Sally Schwab as the 23rd President of the ACPE! Sally says, "It is a joy to be installed in my home region and in Kansas City where I completed my supervisory education." The Presidential banquet kicks off our conference and will be an evening of celebration! At the banquet we will celebrate our newly certified ACPE Supervisors, honor persons for distinguished service and Supervisor Emeritus and hear from our executive director, Teresa Snorton!

## **See where ACPE was born!**

In October 1967, four pastoral care organizations gathered for an annual meeting in Kansas City, Missouri with the intention of founding the Association for Clinical Pastoral Education, Inc. The meeting took place at the Continental Hotel located at 11<sup>th</sup> and Baltimore in downtown Kansas City. The former hotel is just two blocks from the Downtown Marriott, the site of the 2010 ACPE Convention. We will celebrate coming home to our birthplace and perhaps again bring new life to our association through our learning and actions taken at this annual meeting! Please come and participate!

## **Don't miss the ACPE Town Hall Meeting!**

The ACPE was created in Kansas City in 1967 and 43 years later, many exciting possibilities exist for our association as we move forward in mission and ministry! The town hall meeting is an opportunity for us to discuss our present and future life together, including mission, vision, governance issues and our capital campaign.

## **"Jazzin" Up the Town!**

Join us in a "Private Jazz Crawl"! Kansas City played a vital role in the 1930s and 40s in the birth & evolution of the indigenous American art form called Jazz! The Kansas City Jazz Ambassadors invite ACPE to join in a unique FUN evening on a "Private Jazz Crawl" on the town!

"Live" - the feeling of history and tradition that is still in the Swingin' Jazz of Kansas City!

"Jive" - with an evening of Great Jazz (stopping at up to three jazz locations) & tantalizing KC barbecue, travel in the luxury of a motor coach with informative, fun hosts with a stash of stories to tell!

Possible Historical Areas to include:

- The Historic 18th & Vine area: "A cradle of jazz" listed on the Federal Historic Register
- KC's Downtown old Garment District
