

# Celebrating Our Past, Embracing the Present, Proclaiming the Future

**ON-SITE REGISTRATION WILL BE LIMITED DUE TO AVAILABILITY**

## **Pre-Registration is Closed**

Pre-Registration has officially closed. All additional registrants will have to register on-site for the available events.

A big "Thank You" to those that have pre-registered for the REM/ACPE Joint program, to be held February 8 – 11, 2012. We are very pleased to share with you that the registration response to this historic joint conference has been overwhelming. We have more registrants than in the history of either of the REM Invitational or ACPE National Conferences.

## **Some Events are Sold Out**

As we are at a sell-out crowd, we regret that some of our very special, celebratory segments of the program have been closed and no more tickets are available: the Presidential Dinner, the REM Invitational 25<sup>th</sup> Anniversary Celebration at Howard University, and the Annual ACPE Members' Meeting.

## **On-Site Registrations**

Registrations are available on site as space is available. The Friday Night Birthday Party and Celebration is still open to registrants and most of the educational opportunities are still available for your participation.

We are offering registrations on a daily basis only, and the rates are noted on the On-Site registration form attached below. Payment will be due in full at time of registration in order to participate in the conference.

## **Admission Policy**

Only registered individuals with a name badge may attend conference plenary sessions or workshops. Tickets are required at meal events. Also, remember to register any participating guests.
