**Annual Report**

# Executive Director's Letter and ACPE Membership Statistics (as of December 31, 2010) and Accreditation and Certification Commissions

Dear ACPE Members and Friends:

This annual report is prepared to provide the ACPE membership and other interested parties with a snapshot of 2010. We continue to maintain consistent numbers of students units, with increases in some geographical areas. The growth of ACPE programs continues to exceed the number of ACPE programs that find they are unable to continue. For all of the United States, 2010 was a challenging economic year. We are grateful for the support of our students, seminaries, faith groups, supervisors, and members for continuing to support the mission and vision of the ACPE, Inc.

Sincerely,

Rev. Dr. Teresa E. Snorton  
ACPE Executive Director
