ARTICLE 13. INDEMNIFICATION

Section 13.01, Definitions. As used in this Article 13, the term:

(1) “Association” includes any domestic or foreign predecessor entity of the Association in a merger or other transaction in which the predecessor’s existence ceased upon consummation of the transaction.

(2) “Representative” means an individual who is or was a Representative of the Association or an individual who, while a Representative of the Association, is or was serving at the Association’s request as a director, officer, partner, trustee, or employee of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A Representative is considered to be serving an employee benefit plan at the Association’s request if such Representative’s duties to the Association also imposes duties on, or otherwise involves services by, such Representative to the plan or to participants in or beneficiaries of the plan. Representative includes, unless the context requires otherwise, the estate or personal representative of Representative.

(3) “Expenses” include counsel’s fees.

(4) “Liability” means the obligation to pay a judgment, settlement, penalty, fine (including an excise tax assessed with respect to an employee benefit plan), or reasonable expenses actually incurred with respect to a proceeding.

(5) “Party” includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(6) “Proceeding” means any threatened, pending, or completed action, suit or proceedings, whether civil, criminal, administrative or investigative and whether formal or informal.

(7) “Disinterested Representative” means a Representative who at the time of a vote under this Article 13 is not a Party to the Proceeding in question and does not have a familial, financial, professional, or employment relationship with a Representative whose indemnification or advance for expenses is the subject of the vote, which relationship would, under the circumstances, reasonably be expected to exert an influence on the Representative’s judgment when voting.
Section 13.02, Authority to Indemnify. Except as hereinafter provided in this section, the Association may indemnify or obligate itself to indemnify an individual made a party to a Proceeding because such individual is or was a Representative against liability incurred in a Proceeding if such individual acted in a manner such individual believed in good faith to be in or not opposed to the best interests of the Association and, in the case of any criminal Proceedings, such individual had no reasonable cause to believe that such individual’s conduct was unlawful.

A Representative’s conduct with respect to an employee benefit plan for a purpose such Representative believed in good faith to be in the interest of the participants in and the beneficiaries of the plan is conduct that satisfies the requirements of the immediately preceding paragraph.

The termination of a Proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the Representative did not meet the standards of conduct set forth in the immediately preceding paragraph.

The Association shall not indemnify a Representative under this Section:

(1) In connection with a Proceeding by or in the right of the Association in which the Representative was adjudged liable to the Association; or,

(2) In connection with any other Proceeding in which said Representative was adjudged liable on the basis that personal benefits were improperly received by said Representative.

Indemnification permitted under this Section in connection with a Proceeding by or in the right of the Association is limited to reasonable expenses incurred in connection with the Proceeding if the Representative is found to have met the relevant standard of conduct for his or her actions that are in question in such Proceeding.

Section 13.03, Mandatory Indemnification. To the extent that a Representative of the Association has been successful, on the merits or otherwise, in defense of any Proceeding to which said Representative was a party, or in defense of any claim, issue, or matter therein, because such Representative is or was a Representative of the Association, the Association shall indemnify such Representative against reasonable expenses incurred by such Representative in connection therewith.

Section 13.04, Advances for Expenses. The Association may pay for or reimburse the reasonable expenses incurred by a Representative who is a party to a Proceeding in advance of final disposition of the Proceeding if:
(1) The Representative furnishes the Association a written affirmation of such Representative’s good faith belief that such Representative has met the standards of conduct set forth in Section 13.02; and,

(2) The Representative furnishes the Association a written undertaking, executed personally or on such Representative’s behalf to repay any advances if it is ultimately determined that such Representative is not entitled to indemnification hereunder. The undertaking required by subparagraph (2), above, must be an unlimited general obligation of the Representative, but need not be secured and may be accepted without reference to financial ability to make repayment.

Section 13.05, Determination and Authorization for Indemnification. The Association shall not indemnify a Representative under Section 13.02 hereof unless authorized thereunder and a determination has been made in the specific case that indemnification of the Representative is permissible in the circumstances because such Representative has met the standards of conduct set forth in Section 13.02.

The determination shall be made:

(1) By the Board of Representatives by majority vote of a quorum consisting of Disinterested or,

(2) If a quorum cannot be obtained under Subparagraph (1), above, by majority vote of a committee duly designated by majority vote of Disinterested Representatives, which committee consists solely of two or more Disinterested Representatives; or,

(3) By special legal counsel:

(a) Selected by the Board of Representatives or its committees in the manner prescribed in Subparagraph (1) or (2) above; or,

(b) If a quorum of the Board of Representatives cannot be obtained under Subparagraph (1), above, and a committee cannot be designated under Subparagraph (2), above, selected by a majority vote of the full Board of Representatives (in which selection Representatives who are not a Disinterested Representative may participate).

Authorization of indemnification or an obligation to indemnify and evaluation as to reasonableness of expenses shall be made in the same manner as the
determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses shall be made by those entitled under subparagraph (3) above, to select counsel.

Section 13.06, Indemnification of Officers, Commission Members and Employees. Officers, commission members and employees of the Association who are not Representatives shall be entitled to indemnification under Section 13.02 and 13.03 hereof to the same extent as a Representative. The Association may advance expenses to an officer, commission member, or employee of the Association who is not a Representative under Section 13.04 hereof, consistent with public policy.

Section 13.07, Purchase of Insurance. The Association may purchase and maintain insurance on behalf of an individual who is or was a representative, officer, employee, commission member, or agent of the Association or who, while a representative, officer, employee or agent of the Association, is or was serving at the request of the Association as a director, officer partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, benefit plan or other enterprises against any liabilities asserted against or incurred by such person in that capacity, or arising out of such person’s status as such, whether or not the Association would have the power to indemnify such person against such liability under this Article 13.
